AMERICANISM and CHRISTIANITY or COMMUNISM and ATHEISM ... which do you want? The inescapable challenge facing the Christian world today is COMMU-NISM. COMMUNISM is OFFICIALLY ATHEIST. To destroy the American principle of FREEDOM of WORSHIP is the declared intention of this ANTI-AMERICANISM

ABOUT twenty years ago the Comintern declared: "The ultimate aim of the Communist International is to replace world capitalist economy by a world system of Communism... It will bury forever all mysticism, religion, and superstition." That anti-God declaration has never been challenged. In fact, it has strengthened its atheist principles to a point that has rarely been seen before in history. The Truth is, Communism cannot live with Christianity, because it is a religion unto itself, as much so as it is a system of politics and economics.

history. They also say theirs is not only a "scientific" system but is the ONLY SYSTEM. Communists say Christianity is superstition. They refer to Christianity as something especially designed to capture the masses for exploitation by capitalist masters. Communists say "DOWN WITH THE CROSS WHICH IS THE SYMBOL OF FAITH FOR THE CHRISTIAN WORLD."... Therefore, Communism and Christianity become the two great rival Faiths of the Twentieth Century.

CHRISTIANITY believes one thing about the nature of man and his destiny, the nature of morality, the basis of ethics, and the nature of the Universe; COMMUNISM believes the exact opposite. CHRISTIANITY believes in the INDIVIDUAL and in the RIGHTS OF MAN. COMMUNISM believes the individual is the wholly owned SLAVE OF

THIS atheistic, materialistic, conspiracy threatens to engulf the whole world. Unless it is stopped our liberties, political, civil and religious rights, will go the way of the unfortunate nations which have already been crushed to earth behind the iron curtain of Moscow. If you believe in God and the Bible of the Lord God Almighty, won't you help hold high the CROSS. It is being threatened by Communist enemies. For the sake of all that is dear to you... attend your church and support her good work.
